Todd –

Enclosed is the check from State Farm, endorsed as required, and a check for the balance. Thank you for a job well done! We were very pleased with the finished product. The roof and fascia look great and complement the décor of our house very well. Please feel free to include us as a reference.

Sincerely,

A handwritten signature in blue ink that reads "Shawn & Lorri Rung". The signature is written in a cursive, flowing style.

Shawn & Lorri Rung
